*UNCOMPROMISING
SECURITY*

Model 2010H: Nickel Plate finish

Model 2015H: Black finish

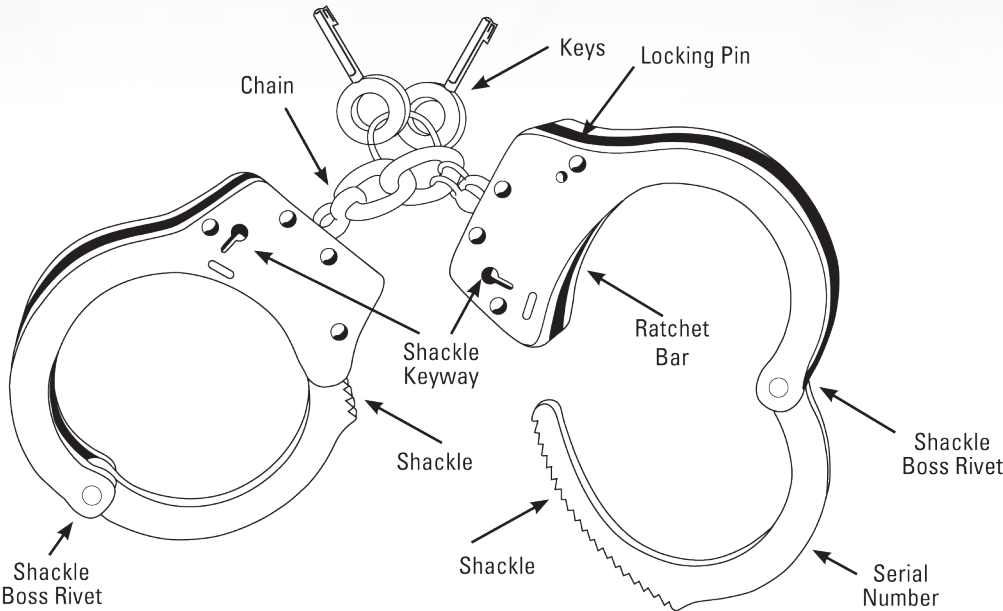

2010H/2015H STANDARD STEEL CHAIN HANDCUFFS

The HIATT® Standard Chain Style handcuffs are constructed with top-quality, heavy-duty steel construction featuring an 18-tooth, 3-retaining-bar system for uncompromising security and a positive swing-through action. The Model 2010H/2015H handcuffs feature reinforced steel swivels for added strength and durability.

FEATURES

- Fast back-loading allows open cuff to be snapped back into place and reapplied without releasing offender's hand
- 18-tooth, 3-retaining bar system provides increased strength
- Swing arm is balanced and centered to lock into center of shackle every time
- Available in Nickel Plate or Black finish
