

# Rothco Tactisling Transport Pack

Rothco's Tactisling Transport Pack features a sling over-the-shoulder strap, which can swing to the front for quick & easy access to important compartments including a concealed carry holster attachment. The tactical pack has a large zippered main compartment with water repellent lining, zippered mesh interior pocket & zippered utility pocket that is ideal for storing all your gear. Not only does the pack have an option for concealed carry, it features 2 large open top accessory pockets with hook & loop closure that's perfect for a laptop and a zip pocket with horizontal vinyl document sleeve and 2 accessory pockets; there is nothing this bag can't carry. The one-shoulder backpack has been designed for comfort and versatility; the padded mesh shoulder strap features a 2" quick release buckle with metal clip, 3/4" whistle side release buckle, adjustable Y-Shape quick release cinch strap with D-Ring, and storage strap compartment. The pack also features a padded mesh back that allows for breathability, top carry handle, MOLLE Loop Attachments, key ring and top cinch strap. Rothco has put a new twist on the classic Medium Transport Pack; for more info on the pack, check out the video!
