

Tek3

The Next Generation of Tek2

The Tek3 is the next generation of the Tek2 series, incorporating the same great twill fabric and Nano Fluid Repellency technology with the addition of a new men's pattern, 'Essential fit' and even more storage and functionality.

Tek3

The Next Generation of Tek2

Nano Fluid Repellency repels fluids and keeps you dry and comfortable while maintaining the natural breathability of fabric through repeated washings.

Shirt Features:

- Now available in Ladies Choice sizes
- Flex vent mesh underarm vents
- Now available in French Blue and Midnight Navy in long and short sleeve sizes
- Chest pockets with dual access top and side utility compartments
- Dual communications wire access openings
- Stitched in creases for classic look
- Functional epaulets for mic attachment

Trouser Features:

- New men's "Essential Fit" pattern waistband, lower rise and wider leg with front rise having a slight slope
- Covert flex waistband with new refined curtain
- Zipper and double hook and eye with gun barrel finish
- Triple stitched crotch prevents seam failure
- Rear utility pockets
- Creaset front and back permanent creases
