

# 3M™ Peltor™ Wireless Solutions™ Headsets with Bluetooth® Wireless Technology

**PELTOR**  
The Sound Solution

Lose  
the wire and  
keep the connection

Combination liquid and foam-filled cushions provide low pressure and comfort

Deep earcup design

Volume & answer buttons on cup

Noise-canceling microphone for clear, reliable communication

Connection without the restriction of wires! Introducing the 3M™ Peltor™ Wireless Solutions headset featuring  **Bluetooth®** wireless technology. These headsets allow for excellent flexibility when “synched up” to your existing communication system. Transmit and receive without the need for interconnecting cords and wires. Features include:

- **Wireless up to 32 ft.**
- **Compatible with both portable & mobile 2-way radio systems**
- **Ground mechanic push-back model available**
- **Runs on two AA batteries or rechargeable Ni-MH battery pack**
- **Surround Sound Listening (WS Tactical XP Only)**

# PELTOR

Very convenient and easy to use! Within a few seconds of initially synchronizing the headset and adapter to each other, they are ready to be used as a system. The synchronizing step is required once when first purchased, after that they are linked wirelessly even after being cycled on and off during non-use.

Headband

Hard-hat mount

Hi-Viz cup color  
\*Must be used with FL6007-WS-GB

Folding Headband

Neckband

Rechargeable Ni-MH battery pack kit available, compatible with both headset and adapter (sold separately).

- For battery and charger, order 88009-00000.
- For battery only, order ACK03 900.

The WS series products are designed for use with any Bluetooth® Technology enabled device, such as a cell phone.

### Headsets:

MT53H7AWS2 GB Folding Headband, Hi-Viz cup color, NRR 25 dB\*

MT53H7AWS2 Headband, NRR 25 dB\*

MT53H7BWS2 Neckband, NRR 25 dB\*

MT53H7P3EWS2 Hard-hat mount, NRR 24 dB\*

MT1H7F2WS3 WS Tactical XP Headband, Folding, NRR 24 dB\*

\* Tested in 3M's NVLAP accredited laboratory.

Research indicates that many users will receive less noise reduction than indicated by the NRR due to variation in earplug fit, earplug fitting skill, and motivation of the user. It is recommended that the NRR be reduced by 50% to better estimate typical workplace protection.

### Adapters:

FL6007-WS-GB Hi-Viz Aircraft Push Back Model

FL6010-Straight 2.5/3.5 PLUG FOR F3/F4, F3S/F4S, F4TR, F10, F20, IC-H2, H6, J12, M5, U12, U16, F3G/F4G, F3GT/F4GT, F3GS/F4GS, F11, F21

### WARNING!

These hearing protectors help reduce exposure to hazardous noise and other loud sounds. Misuse or failure to wear hearing protectors at all times that you are exposed to noise may result in hearing loss or injury. For proper use, see supervisor, User Instructions, or call 3M in U.S.A. at 1-800-665-2942.
